

Product Information

A PRODUCT OF THE VALVOLINE COMPANY A DIVISION OF ASHLAND INC.

PYROIL WHITE LITHIUM GREASE SPRAY

- **Multi-Purpose Lubricant Spray for Auto, Home, Farm, Marine, and Shop**
- **For All Metal to Metal Applications**
- **Helps Prevent Rust and Corrosion**
- **Heavy Duty Lubricant with Penetrating Action**

How Does It Work?

Pyroil White Lithium Grease Spray can be used to lubricate the most demanding application or something as simple as an ashtray slide. Almost any metal part that moves can be lubricated with this versatile product. Battery terminals, tools, turnbuckles, wire ropes, bolts, springs, etc. can be protected from rust and corrosion with **Pyroil White Lithium Grease Spray**. **Pyroil White Lithium Grease** sprays on as a liquid, able to penetrate tiny crevices, and then sets up as a lubricating grease that stays put.

Applications

Shake well before using. Spray **Pyroil White Lithium Grease** directly on parts to be lubricated. Use extension tube for hard to reach places or area needing pinpoint application.

Technical Data:

Appearance	White Liquid
Flash Point, TCC	15°F minimum
Specific Gravity	0.710
